

SOUTH CAROLINA'S
CALHOUN FALLS
STATE RECREATION AREA

Calhoun Falls State

Recreation Area sits astride

several pine-covered points

jutting into Lake Russell, one

of the least-developed large

reservoirs in South Carolina.

Besides providing access

to the big Savannah River

lake, the park offers camping,

picnicking, a tennis court,

playground, seasonal

swimming area and hiking.

Picturesque views of the

lake and surrounding forest are

another highlight. Area anglers

know well, too, that Lake

Russell holds large numbers

of bass, bream, catfish and

crappie.

And that's no fish story.
